

Prayer for the Success of our Parish Campaign

Loving Father, creator of all that is good, with grateful hearts we turn to you.

Bless us, the people of St. Mary Parish, with a spirit of unity and generosity as we enter into this parish building process. We thank you for the generations of parishioners who came before us. May we build upon their legacy of faith.

Bless our efforts and strengthen our commitment in *Building Community Together*. Guide the work we undertake in your name. Build us into living stones, so that our parish may always reflect your spirit of love and peace.

We ask for wisdom, courage, and strength as we embark on this journey. With the prayers of our patroness, the Blessed Virgin Mary, let us go forward with faith and trust. We ask this through Christ our Lord.
