

YOUTH MINISTRY JR. HIGH

Volunteer Form

Middle school is a time of growth for young disciples as they navigate the gap between foundational family years and the start of their journey as adult in faith and life. Serving youth at this important stage is greatly rewarding and also takes patience and understanding. We are excited you may be feeling called to serve this special group of students!

St. Mary's may use photo or video for promotional efforts in a variety of channels. I agree to be featured in these ways for Middle School Youth Ministry for the 2022-23 school year.
